

POZ's Fourth Annual New York AIDS Walk Fundraiser

March 30, 2009

POZ is pleased to announce our fourth annual fundraiser for AIDS Walk New York, Love Out Loud, is Wednesday May 13 from 5:30 to 9:00 pm at Prohibition in Manhattan. Our musical hosts are once again Tremors led by John Kouri. Participation will include Ilene Kristen and Kevin Spirtas and many other local celebrities from ABC-TV and CBS-TV. Past events have included most notably, Thorsten Kaye, Marj Dusay the accomplished actress who lost her son, Randall, to AIDS in 1993; Mark Dobies, who appeared in Larry Kramer's The Normal Heart; as well as tireless devotees to many charities, good hearted Melissa Claire Egan, Alicia Minshew, Billy Miller, BethAnn Bonner, Kristen Alden, and John-Paul Lavoisier of One Life to Live; that Optimum guy, Matt Walton; As the World Turns ' Luke, Van Hansis, as well as Jack Mackenroth from Project Runway with his good friend Kevin Christiana. As you know, Law & Order: SVU's Christopher Meloni is always on hand to help us with fund raising via eBay auctions. If not physically there, Chris is with us in spirit.

We're overwhelmed by the support coming from the entertainment industry in our efforts to help those with HIV/AIDS. This will be our biggest and brightest event yet.

Where: Prohibition, 503 Columbus Ave. (@ 84th) in Manhattan

When: Wednesday, May 13, 2009 5:30 to 9:00 PM

How Much: \$30.00 donation at the door

More Information: www.pozevent.com

POZ is the premier lifestyle, treatment and advocacy magazine for people living with-and those affected by-HIV and AIDS. The award-winning magazine and website (poz.com) provide the most complete and expert HIV/AIDS information available in the United States. Together, the magazine and website reach more than 70 percent of all of those people living with HIV/AIDS who are aware of their status. The website provides extensive opportunity for both public and private social networking and represents one of the largest communities of openly HIV-positive people in the world.
